All course fees are exclusive of VAT and are to be paid prior to commencement of the course dates shown. Course costs include lunch, all refreshments and a comprehensive course manual. All 2 day courses additionally **INCLUDE** one night's **FREE** accommodation, breakfast and evening meal. Discounts may be available for multiple bookings - please enquire.

Guaranteed to increase productivity and efficiency or your money back

Our courses will assist you in reducing analysis costs, enabling you to save your company time and money. Topics covered will show you how to reduce costs, increase throughput, prevent costly method problems occurring and develop faster, more reproducible HPLC assays in a time effective manner. We are confident that the techniques that you hear about on these courses will provide you with many ideas for improving the efficiency in your laboratory – in fact it is guaranteed. If after 6 months you have not been able to recover the registration fees by applying what you have learnt from the courses, your money will be refunded.

SPECIAL OFFER – FREE John Dolan LC Troubleshooting Guide

All delegates attending any John Dolan or Tom Jupille course will receive a **FREE** copy of John Dolan's CD-ROM "**LC Troubleshooting - A 5 Year Compilation**" an invaluable resource guide for all laboratories.

Further information: We can bring any of the above courses or a course designed to your own requirements to your laboratory. Please contact us at seminars@hichrom.co.uk or 0118 930 3660 to discuss on-site courses in 2009. All our courses are IBMS accredited. Please contact us at seminars@hichrom.co.uk or 0118 930 3660 for further details on any of our HPLC Workshops.
